

Nomination for 2022 National Specialty Judges

German Shorthaired Pointer Club of America

Nominations for judges for the 2022 National Specialty are now being accepted. Nominations may be made on-line at GSPCA.org, by mail, or email (scan the nomination form as instructed). Listed below are the criteria that should be used to select your nomination. You may nominate (2) names for each position. If after reviewing the list you find an error, please advise Marty B Cornell at ElwingGSP@aol.com or call 918-914-9353.

Deadline for nomination is: February 1, 2019.

On-line voting is encouraged as it aids in the vote tabulation. There will be an email blast from GSPCA when on-line voting becomes available. **When voting on-line, be aware that ALL eligible judges (from the United States and Canada) are listed.** Write-ins are intended for foreign judges.

Criteria qualifying persons as eligible for nomination to judge GSPCA National Specialty Conformation Events

1. Conformation Judges:
 - a. **The selection of a Breeder Judge is encouraged by the GSPCA.**
 - b. A Breeder Judge is defined as a person who has bred 5 GSP litters and 5 GSP bench champions with a minimum of 12 years in the sport. Breeder Judges can be nominated while on permit status. A breeder judge must be a GSPCA member in good standing with AKC and GSPCA. Breeders will be highlighted and listed first on nomination list.
 - c. Any AKC approved (regular status) judge for German Shorthaired Pointers, in good standing with AKC and the GSPCA, is eligible to be nominated to judge the GSPCA National.
 - d. Any approved foreign judge (regular status) for German Shorthaired Pointers in their country of residence and in good standing with AKC and the GSPCA is eligible to be nominated to judge the GSPCA National. Foreign judges will have to be nominated as a write in.
 - e. Parent Clubs by request may invite eligible individuals to judge their Nationals or Specialties: In addition to the AKC requirements the individual would be required to be a member of the GSPCA in good standing for a minimum of 10 consecutive years. Full details for this process can be found on the AKC web site and they must be completed prior to the nomination process.
2. Futurity Judge: **mandatory requirements** at time of nomination:
 - a. Will be knowledgeable, with success in breeding/exhibiting/handling the GSP breed for 12 years or more.
 - b. Produced 5 GSP bench champions.
 - c. Nominee will be a member in good standing of the GSPCA for a minimum of 12 years.
 - d. Judging experience in a minimum of 3 events such as local sweepstakes or puppy matches. If a nominee does not have this experience and is selected to judge it should be stipulated in their contract that they will need to accomplish this prior to the NSS they are selected to judge. (This will give them a time frame of 3 years).
3. Sweepstakes Judge: **mandatory requirements** at time of nomination:
 - a. Attended at least one national specialty for a sporting breed.
 - b. Seven years of involvement in AKC conformation venues with a sporting dog.
 - c. Bred or shown at least 5 sporting dogs to their bench championship.
 - d. Judging experience in a minimum of 2 events such as local sweepstakes or puppy matches. If a nominee does not have this experience and is selected to judge it should be stipulated in their contract that they will need to accomplish this prior to the NSS they are selected to judge. (This will give them a time frame of 3 years).

The National Specialty Show Executive Committee is responsible for assuring all names submitted for final selection (draw at the banquet) fully meet all mandatory requirements.
